History of the College

The seed of the idea for a college in Elizabeth City was planted with the Elizabeth City Chamber of Commerce in 1957, when the State Department of Public Instruction was considering a technical college for Elizabeth City. The technical college idea was abandoned and instead a Community College Act was passed to assist counties to establish their own junior colleges.

Several plans and ideas were advanced by the Chamber during the next few years without being vigorously promoted until 1960, when the former Albemarle Hospital building, which seemed especially well-adapted for college purposes, appeared to be available after the hospital moved into its new quarters.

Under the able chairmanship of Charles Gordon, a dedicated college committee recruited the support of the county and city governments and almost every organization in Pasquotank County. An indication of the support and desire for a community college was shown by Pasquotank citizens in their overwhelming two-and-a-half to one vote favoring a tax increase for the county's share of support for a Pasquotank County college.

College of The Albemarle is the first college in the state to be chartered under the Community College Act of 1957.

Greetings from the President:

I am delighted for this opportunity to welcome you to College of The Albemarle. It is my sincerest hope that you will find your academic life here a rewarding experience and that you will give the Student Government your able support in their projects for the current year.

Let me assure you that the entire staff of the college is available to you for any help you may require.

The Community College is a new concept in higher education in that it provides for many students with varying interests and aptitudes. It is my hope that you will be successful in one of our programs of study.

My best wishes for a good year.

B. A. BARRINGER
President

Greetings from the Dean:

It is a pleasure to greet you as you begin your college career. A fine faculty of men and women who have dedicated themselves to helping you make a good beginning is here to instruct you, and challenging programs of study have been developed for your benefit. Yes, we are very pleased that you are here.

One of the functions of the Dean is to find ways to help students overcome the academic difficulties which many encounter. You may benefit from the experience of those who have visited the Dean's office in

the past, and your experiences may prove valuable to those who follow you. If you should meet with difficulties, consult your professors first, but remember that you are welcome to come to see me at any time.

It is my hope that your life at the College of The Albemarle will be filled with rewarding labor, the excitement of new ideas and knowledge, and good friends and good times which you will always cherish.

Bulletin Boards

The bulletin board for the student body is located on the second floor of the College, across the hall from the ~~Student Personnel Office~~. Other bulletin boards are located near the entrance to the library and in the Dolphin's Den. Parking stickers are distributed on registration day when students receive their ID cards. These stickers must be affixed to the rear bumper on the left side (the driver's side).

Social Events

The social life of College of The Albemarle is aimed to meet the needs and desires of the students. The social events provide opportunities to get to know your fellow students and members of the faculty personally.

Both formal and semi-formal dances are held several times each year. Homecoming

weekend, the Christmas Dance, and the formal May Dance are the highlights of the year.

It is the hope and desire of the social committee that all of the students will take part in the social program. Any suggestions will be welcomed by the committee.

Social Regulations

Through past experience we have found it necessary to impose certain social regulations upon the students of College of The Albemarle. These regulations apply to any student government activity.

(2) No outside guests, other than a student's date, are allowed except when specified.

(3) Admittance to all social events will be by student identification cards.

(4) Students (or their guests) who display alcoholic beverages or the effects thereof at school functions on or off campus are subject to disciplinary action by the ~~Administration~~ and are liable to immediate expulsion.

smoke in the halls, outside the building, and in the Dolphin's Den. Please place all waste paper in the proper facilities.

~~Students having telephone calls to make are asked to use the pay phone on the first floor of the college. Students will not be called from classes to answer the telephone except in cases of emergency.~~

Bermuda Shorts

~~During the fall and spring semesters, Bermuda shorts may be worn by males and females in the gym and Dolphin's Den at any time. Bermudas may be worn in the library during the fall and spring only after 3:00 p.m. During the summer sessions, Bermuda shorts may be worn by males and females anywhere on campus during the entire day (class included).~~

Employment Service

The College offers a limited number of part-time jobs. First preference will be given those demonstrating genuine financial need and suitable qualifications for performance of the work. ~~fifteen hours~~ with at least a "C" average.

A graduate of College of The Albemarle is qualified to order a class ring at any time.

The President's Service Cup

The President's Service Cup is awarded by the President and administration of College of The Albemarle at the annual graduation exercises to the graduate who has contributed most in services to the College during his two years of attendance at the College of The Albemarle.

Student Directory

A student directory, containing names, addresses, and telephone numbers of the students and faculty of College of The Albemarle, will be available for students during the early part of the fall semester and will be posted on the main bulletin board.

Elevator Use

The elevator is not for the use of students during class hours.

Convocation-Assembly Attendance

Attendance is required of all students at convocations and assemblies. Each student will receive an attendance slip as he enters the gym-auditorium. He will sign it and turn it in as he leaves the convocation.

Those failing to attend convocations will be subject to disciplinary action. Convocations and assemblies are normally held on Wednesdays from 10 to 11 a.m. Notices will be posted on the bulletin boards and in the Dolphin's Den.

Change of Course

A student may change a course during the first two weeks of a semester if he obtains written permission from his advisor, the Dean, and the Student Personnel Office.

Withdrawals

When a student withdraws, he is expected to confer with his advisor and clear through the Office of Student Personnel, Dean of the College, and the Business Office.

Any student leaving the college without written permission will receive "F" on all courses.

Statement on Student Absences

1. It is the policy of the college to require attendance in all regularly scheduled classes and at convocations and such other functions as are deemed necessary and beneficial to the student's educational growth and development.

2. Since all absences are considered detrimental to the progress of the student, distinctions between "excused" and "unexcused" absences are of limited value and can often be misleading. Faculty members will attempt to assist students in making up work when absences are "excused."

3. The *only* recognized "excused" absences will be:

- a. Illness of the student.
- b. Critical illness or death in the immediate family.
- c. Other circumstances which may, in the judgment of the Dean, be deemed to have made absences justifiable or unavoidable.

4. A statement of the reason(s) for absences which the student wishes to be considered "excused" should be presented to the Dean's office *in writing*. These statements should be neatly written and in good form and should be accompanied by a statement from a physician when appropriate.

5. Any faculty member may (and should) recommend that a student be disenrolled from a class at any time he deems the student's absences to be excessive and detrimental to the student's making necessary progress in the course. When such recommendations are made before the date for withdrawing from classes without penalty, the student will receive the grade of "W." Recommendations made after that time will result in the student receiving an "F" in the course.

6. Appeals from the decisions of faculty members or the Dean with regard to absence will be heard by the Executive Committee of the Academic Affairs Committee. It is not expected that appeals from that committee to the entire faculty will be allowed, except on recommendation of a member of the committee or the President.

Students are not allowed to eat, drink, or smoke in the library. Students must observe reasonable quiet in the library at all times. Failure to observe library regulations may result in loss of library privileges.

ORGANIZATIONS

Much interest has been shown in clubs and organizations on campus. We hope to pursue these ideas during the year. Clubs that will advance the college and be of service to the students are welcome. Before receiving a charter, they must have the approval of the Student Government Association and the faculty, who will assist in any way possible in organizing approved clubs and organizations.

Cheerleaders

Cheerleading is an asset to any school program of sports. The cheerleaders at College of The Albemarle are required to have at least a "C" average. Two consecutive unexcused absences from squad practice excludes a cheerleader from further participation on the squad. Any action of the cheerleaders during or pertaining to any athletic activity should be a good reflection on your school. We hope that many of you will meet these standards and become an active member of the cheerleading squad of College of The Albemarle. The advisor is Miss Bryan.

Circle K

The College of The Albemarle has a chartered Circle K club which is sponsored by the local Kiwanis. All members are regularly enrolled male students and are voted into the club by its members. The purposes of the club are to build scholarship and leadership.

Each year the Circle K members of the College of The Albemarle award a twenty-five dollar scholarship to a male student who has shown need and worthiness through his scholarship and leadership in connection with the college. The scholarship is to be used for part of the student's tuition for his second year at College of The Albemarle.

Language Clubs

Two language clubs were formed in the 1964-65 school year. They are Le Cercle Francais, under the direction of Miss Riddick, and the Spanish Club, under the direction of Mrs. Boada. The purpose of these clubs is to promote the language of these particular countries and to teach the members more about these countries than would otherwise be learned in class.

College Choir

The College Choir originated in the 1964-65 school year. Although it is small at the present time, it is progressing very rapidly under the leadership of Dr. and Mrs. Clifford Bair. The Choir sings at civic events alone and also combined with the Albemarle Choral Society. It plays a very important role in the development of the musical talents of COA's students.

TEC Club

The purpose of the newly organized TEC Club is to promote unity among its members, which include the students in the technical, vocational, and nursing programs, motivate interest in vocational and

industrial education, and to assist in the development of democratic character of students. The TEC Club is under the leadership of Mr. Gullledge.

The Satyrs

The Satyrs, COA's dramatics club, under the direction of Mrs. Vaughan, has been organized for the purposes of gaining knowledge of the theatre arts, and presenting dramatic selections during the academic year. It is the aim of this club to raise the level of the critical evaluation of dramatic literature within the organization and the community, and to achieve excellence in interpretation.

Phi Theta Kappa

This is a national scholastic fraternity which holds the same status in the community college that the Phi Beta Kappa holds in the four-year college. The Nu Nu Chapter of the Phi Theta Kappa was organized at the College of The Albemarle in April, 1964. Membership is chosen on the basis of high scholastic standing, character, leadership, and service on the campus. The advisor of the Phi Theta Kappa is Mr. Dare.

Phi Beta Lambda

Phi Beta Lambda is a national business fraternity for business administration and business education students. Organized at the College of The Albemarle in 1965, membership, open to sophomores and second-semester freshmen, is chosen on the basis of character, leadership, scholastic

standing of merit, and interest in business as a career. The advisor is Mr. Trathen.

The Varsity Club

The Varsity Club, under the leadership of Mr. Sterritt, awards monograms to those who have revealed marked ability in athletic events. The object of the club is to encourage sportsmanship, as well as the intellectual and physical development of its members.

Intramural Activities

COA's intramural program offers an opportunity for play to all who want to participate. Its activities are adapted to times available for the maximum participation and are selected so that they do not require long periods of practice to get teams or individuals into condition.

The intramural activities at COA are soccer, basketball, volleyball, bowling, track and field, softball, table tennis (singles and doubles), horseshoes (singles and doubles), lawn tennis (singles and doubles), golf, and the annual Cross County Run. Mr. Braxton is director of the intramural program.

Student Publications

The *Old Salt*, under the direction of Miss Holbrooks, is the school newspaper. It serves the school as a means of expression for the students, as communication with the community, and as an advertisement to other schools. The *Pharos*, the college yearbook, is a summary of the activities

at the College of The Albemarle during the school year, and the advisor is Mr. Daniel.
